## President's Message

*Welcome to  
The Lord's Taverners  
Queensland*

OUR ORIGINS go back to 1949 with the Lord's Taverners in England where the Club was created by a group of actors and members of allied professions who regularly watched Cricket from the Tavern at Lord's Cricket Ground in London.

THE CLUB spread to Australia in 1982, becoming an autonomous body with branches in all States and Territories.

AS A BENEVOLENT BODY, our primary aim is to spread the game of Cricket at all levels, with an emphasis on the underprivileged and disadvantaged.

TODAY, we continue to promote the enjoyment and companionship that Cricket offers to all levels of society.

I INVITE YOU to join us in our fund-raising and social activities.

*Ross Duncan*
